Redemption is a marvelous introduction to its author, Jacklyn Lo. It stands as her debut novel, and leaves the reader demanding she grace us with further literary projects, Peter A. Piazzaq, USA

“The book comprises a series of stories, but they are all the stories of a single soul on its voyage through variegated human incarnations. The concept of reincarnation, so aptly portrayed in this wonderful novel, is a concept firmly entrenched in many of the world's major religions, as well as a vast array of the world's burgeoning population.”

Read it again! May Sage, Europe

“This book will please any reader - there's something for every taste, from romance, to action and historical revisits. Loving it!”

The 2-nd edition is available in e-format in [Kindle Amazon](#), [Smashwords](#) and [Google Play](#).
